Sentimental Journeys: Quilts with a Story to Tell

Wouldn't it be great to show a special sentiment, message, poem, or story in your quilt? In this workshop, you will learn how to print lines of text up to 40 inches long onto fabric. These fabric pieces can then become your quilt's border or background or special embellishment. We'll use the latest techniques and products to make your printed fabric soft, colorful, washable and lightfast. Students take home the ingredients for making a quilt that tells their own story.

Kit supplied by teacher - \$10 kit fee collected in class :

High thread count cotton fabric for printing
Bubble Jet Set
Backing for fabric during printing
Printer inks
Informative handouts
